The priests and the captain of the temple guard and the Sadducees came up to Peter and John while they were speaking to the people. They were greatly disturbed because the apostles were teaching the people and proclaiming in Jesus the resurrection of the dead. They seized Peter and John, and because it was evening, they put them in jail until the next day. But many who heard the message believed, and the number of men grew to about five thousand. Acts 4:1—4
